

August 2017

Colorado Lake and Reservoir Management Association

www.clrma.org

Registration Open for NALMS Symposium

Workshops and Field Trips are Filling up!

July is Lakes Appreciation Month – Thanks to everyone that celebrated Lakes Appreciation Month. It was a great month to be outside enjoying lakes and reservoirs. From shoreline clean ups to being on National Public Radio, Lakes Appreciation Month got some great coverage this year.

Finding Balance, 2017 NALMS Symposium Update (November 6 – 9) – Register today! Many folks have already taken advantage of the Early Bird registration prices and have locked in a seat at many of the great workshops, field trips, and special events. John Fielder's nature photography workshop is limited to just 16. It is 25% full already!

Use your Joint Membership – For those of you that did the joint CLRMA/NALMS membership for 2017, make sure to take advantage of the NALMS member conference rate and sign up for the Symposium. Members can also just sign up a specific day, workshop, or field trip.

CLRMA Awards Ceremony at Coors Field (September) – CLRMA has only 15 tickets left for fan appreciation night at Coors Field. The game is Friday, September 29th at 6:10pm. The Rockies play the Los Angeles Dodgers (hottest team in the League). The Rockies will sure to make a run for the playoffs so the game will be exciting. New this year, CLRMA will be handing out the 2017 awards during the game. Get your tickets now before they are all gone, especially if you think you will be getting an award. Again, we will be in leftfield pavilion and will be escorted down to the outfield to watch the fireworks show after the game. Tickets are \$26 each. Contact Steve Lundt if you are interested (slundt@mwr.dst.co.us).

CLRMA Awards Nominations – Awards will be handed out during the Rockies game so we need nominations by early August. Send in your nominations to Al Polonsky (alan.polonsky@denvergov.org).

What is happening around the State - Many state parks around Colorado feature a lake or reservoir. Go visit your favorite park and enjoy the lake during the spring. To find out more, go to www.cpw.state.co.us and then click on the calendar icon at the top of the page.

If you know of an upcoming lake event or activity, let us know and we will post it for the following month.

If you have anything that you would like to share with other CLRMA members, please send them to ColoradoLRMA@gmail.com. To learn more about CLRMA and what is going on, you can always go to www.clrma.org. The updated website is a great source of information. If you would like to see other lake/reservoir material up on the website or in the e-mail updates, please let CLRMA know.
