**Urban Waters Cycle Tour South Platte River**  
**Learn—Cycle—Share**

What is the relationship between water use, river health and community development? Why is the South Platte River important to understanding our relationship to public health? Explore this waterway by bicycle along with citizen leaders, scientists, planners and water managers to discover more!

Urban Water Cycle Tour Route –It is about a 10 mile route beginning at Johnson Habitat Park, going up to Riverside Cemetery and back-tracking to a RINO Brewery. The stops along the route with confirmed speakers are described below.

**ITINERARY (6/6 times listed; 6/7 goes from 1:00-5:00pm )**

- 9:00 AM **Johnson Habitat Park** – to talk about improvements to water quality and the improvements to the environment.
