

# December 2017

Colorado Lake and Reservoir Management Association

[www.clrma.org](http://www.clrma.org)

## Happy Holidays from CLRMA

### Time to give Thanks

2017 NALMS Symposium – Thank you to everyone that helped plan, attended, donated, and sponsored the Symposium. It was a great success and was well received by everyone. CLRMA did a great job in hosting the conference. Thank you for supporting NALMS.

Vote for new CLRMA Board positions – Thank you to Al Polonsky (running again for director), Mike Eytel (running again for west slope director), James Boswell (running for Secretary), and Kindra Greentree (running for president elect). Please thank these people by submitting your ballot by January 12<sup>th</sup>. We are running slightly behind schedule on voting for 2018 directors because of hosting the NALMS conference. The ballot is attached. You can either mark it and send back as an attachment or you can write your votes in the body of an e-mail. Please send all ballots to Paul Tedesco (current CLRMA Secretary) at [paul.tedesco@cityofthornton.net](mailto:paul.tedesco@cityofthornton.net).

2018 CLRMA Membership Forms are Coming – Thank you for supporting CLRMA with your memberships. Coming soon in early January, CLRMA will be mailing out the annual membership renewal forms to those that are expiring. If you don't receive a membership form, it is because you still have a multiple year membership that is good for 2018. Please consider joining NALMS in 2018. We had 30 of our members join in 2017. It is a great organization to belong to. More information about NALMS will come out in early 2018.

CLRMA on Facebook – Search under Colorado Lake and Reservoir Association, or under @CLRMA, or just go to <https://www.facebook.com/clrma/>. Photos were posted from the Rockies game where CLRMA awards were handed out. Check CLRMA out on Facebook and post a photo of your lake or sampling site.

If you know of an upcoming lake event or activity, let us know and we will post it for the following month.

*If you have anything that you would like to share with other CLRMA members, please send them to [ColoradoLRMA@gmail.com](mailto:ColoradoLRMA@gmail.com). To learn more about CLRMA and what is going on, you can always go to [www.clrma.org](http://www.clrma.org). The updated website is a great source of information. If you would like to see other lake/reservoir material up on the website or in the e-mail updates, please let CLRMA know.*
