### Welcome, Sign-In, and Introductions –

The Group met at the Nature Center and introduced themselves.

Chris Douglass, the BMW Treasurer, went over the BMW finances briefly before the group headed out in carts to tour the lake.

At the Gazebo, Steve Lundt talked about water quality in the lakes.

We traveled on to the Bird Conservancy of the Rockies where Sherry Nickolaus talked about the work the Bird Conservancy does and how integrated they are with the work at the park.

The group posed for a photo in front of the new fishing dock.

We arrived back at the Nature Center for a delicious catered lunch and brief updates from the Coordinator and Chair, including introduction of the new logo.
